Prot. n. 3310

Rome, February 16 2021

Dear brothers and sisters from all over the world!

May the Lord grant you his peace!

In the letter I wrote to you on January 10, 2021, in which we announced the celebration of the "**800 years of the Memoriale Propositi (1221-2021)**", we anticipated that we would send you several documents to be used as formation material for the months of February, May and August. The proposals we have thought of are the following:

February: HISTORICAL FRAMEWORK

May: TEXT AND ANALYSIS OF THE MEMORIALE PROPOSITI

August: CURRENT VALUES

These documents can help in the formation of local fraternities this year. With this letter attached the first lesson.

Asking the intercession of our Seraphic Father St. Francis and our dear sister Clare, we send you our fraternal greetings.

Your brother,

Tibor Kauser

CIOFS Minister General
